Important limitations and safety regulations in the home insurance

The insurance policy contains certain limitations. For instance, there are terms and conditions under which the insurance is not valid in certain situations and there are terms and conditions on so-called safety regulations i.e. instructions explaining how to act in order to minimise the risk of loss, damage and injury. Failure to observe safety regulations may result in a reduced claim payment. For more information about which safety regulations apply for each claim, please refer to the full terms and conditions at if.se. Some of the main limitations/regulations in the insurance are listed below.

FIRE

You must not use candles, open flame or embers in a way that poses a serious risk of starting a fire. You must not leave candles or a fire without attention, the same applies for cooking pots on the stove. You must not smoke in bed.

WATER DAMAGE

You must make sure that taps do not leak and that they are always fully turned off when not in use. A water collecting pad should be placed under any fridge and freezer. If your insurance includes insurance for tenant ownership you should act to prevent damage from freezing. Your home should be heated and water turned off when left unattended for longer time.

LEGAL EXPENSES

Certain types of disputes are not covered by the legal protection in your home insurance. For example, you cannot receive compensation for disputes with someone with whom you are or have been married to or living together with. Disputes regarding custody of children however can be compensated. You also cannot receive compensation for disputes regarding small amounts (småmål), criminal cases or disputes related to your work.

THEFT

There are limitations on the amount of compensation we will pay you for certain items, e.g. money, valuable documents, golf equipment and bicycles. Your home must be locked when left unoccupied. As a rule, outside the home, possessions should be locked away if you must leave them unattended. Possessions that are particularly prone to theft are subject to special limitations. Outside of the home (this also applies to attics and cellars), compensation is limited to SEK 30,000 (SEK 50,000 if you have Home Insurance Extra or SEK 100,000 if you have Home

Insurance Super). Compensation is limited to SEK 5,000 when property is left in the car overnight.

ACCIDENTAL DAMAGE INSURANCE MOVEABLES

Accidental damage insurance does not cover bicycles, money, valuable documents or items that are borrowed.

You must manage your property so that it is not exposed to a significant risk of damage or loss.

TRAVEL COVER

You are not entitled to reimbursement for costs related to an injury or illness for which symptoms existed before your trip.

For people who are not registered in Sweden and are not permanent residents in Sweden, we will only provide compensation for damage or loss arising in Sweden.

The travel cover does only apply when travelling as a private individuals and is not valid for travelling for business. If you choose to travel to an area where the Ministry of Foreign Affairs recommend not to travel the travel insurance is not valid.

EXTENDED TRAVEL COVER

There are safety regulations associated with 12.2-3 in the Terms and Conditions. You have to be at the airport (or point of departure) at least two hours before commencing your trip. There needs to be at least two hours between connecting flights when traveling within Europe, and three hours in the rest of the world.

Compensation payments

IMMOVABLE PROPERTY

The compensation amount is reduced for certain parts of the building due to their age. This means that you will have to pay a certain amount yourself because you are getting new material instead of old. This mainly applies to components that have a limited life, such as machinery, wallpaper and floor coverings. Our terms and conditions include a complete table showing how deductions are made. The age deduction is capped at SEK 100,000. If you have Home Insurance Super and additional insurance for tenant ownership, it is capped at SEK 10,000. The "capped age deduction" threshold does not apply when installations or machinery break down without any external influence or is fully written off. The same applies when surfaces in bathrooms, or other rooms with water installed, are older than 30 years.

MOVABLE PROPERTY

As a rule, compensation for stolen or damaged goods is paid at market value, i.e. what it would cost to buy the equivalent item in secondhand condition. For items that are relatively new – where the market value is at least 70% of what the corresponding new article costs – you will receive compensation commensurate with what the new item costs provided you buy it within six (6) months. Our full terms and conditions include a table showing how we calculate the market value of certain items.

Excess

An excess is the amount of money that you yourself have to pay towards a claim. You can choose the excess you want to meet your needs. For legal expenses cover, the excess is 20% of the cost, although no lower than the excess that otherwise applies to the insurance policy.

For damages paid by tenant ownership cover:

- SEK 4,000
- Additional excess SEK 6, 000 for water damage when bathroom is more than 20 years old
- Damage caused by freezing 10% of costs (minimum SEK 4,000 and maximum SEK 10,000)

If you have chosen a higher excess that stated above then the chosen excess applies.

Calculating the price of your insurance

When we calculate the price, we take several factors into account: the amount of the sum insured, your age, the number of members in the household and where you live. The sum insured must cover the total value of everything included in your policy, unless you have a group contract with a fixed sum insured. When you buy your home insurance, you must provide a figure for the sum yourself. If it is too low, there is a risk that you will receive a reduced payment in the event of a claim.

Simple to pay

You choose the method and intervals of payment that suit you best; annual, half-yearly or monthly.

A SEK 25 fee per invoice will apply if you choose to receive a printed invoice. You will not be charged any additional fee if you pay via direct debit or electronic invoices sent directly to your online banking service.
